Your citation has a notation that indicates this is either civil or criminal. If you received a <u>criminal</u> citation, you must contact the court for instructions. This bond card contains information for those that have received civil citations.

The following information describes the three options available to you for the citation you received, or you may appear in court on the date and time shown above your signature on your citation. If you have multiple charges on your citation, you will need to indicate your choice for <u>each</u> charge, whether Option 1, 2, or 3.

Failure to appear in court on the date listed on your citation, or failure to complete one of the other options listed below may result in the issuance of a warrant for your arrest, a driver license suspension, and/or additional monetary costs being imposed.

Option #1 - Defensive Driving Program

Arizona statutes provide that under certain circumstances, a person may divert a traffic violation (one charge or violation) through attendance at a defensive driving class. If you choose to attend:

- 1. You need not appear in court for that charge.
- 2. The charge will be dismissed.
- 3. No fine will be assessed for the charge.
- 4. No points are added to your record for the charge.
- 5. School must be completed 7 days prior to your

appearance date. One 30 day extension may be granted upon written request.

Eligibility:

You may be eligible for a diversion of a charge through completion of a defensive driving class if you have not attended a defensive driving class for any Arizona violation dated within the immediate twenty-four months prior to the date of the current violation for which you wish to attend, and your citation was not issued as a result of a collision in which any person was seriously injured or killed, and your case has not already been set for a hearing. All these conditions must be met.

If you wish to attend, you must do the following:

1. Call the Arizona Chapter National Safety Council Monday through Friday 8:00 a.m. to 5:30 p.m. If you live in Maricopa County call (602) 222-3360 **OR** If you live outside Maricopa County or if you live in a different state call 1-800-293-0112.

OR Register online at: www.ddcaz.org

The school will verify your eligibility, register you for a class, and report your attendance to the court upon completion.

- 2. Complete the class 7 days prior to your court date.
- 3. Provide a copy of your citation, show your Driver's license to the instructor, and pay the school's class fee of \$169.00 by cashier's check or money order, prior to the beginning of class.

If you complete the Defensive Driving Class, you need not appear at the court on that charge.

If you received multiple charges on your citation, only one can be dismissed through Option 1. You must decide whether to plead responsible for or request a hearing to contest, each remaining charge. Indicate your choices by completing the sections under Option 2 and/or Option 3 as per the instructions. Make certain you indicate your choice for each remaining charge on your citation.

Effective 8/25/04 Holders of CDL Licenses are no

longer eligible for defensive driving school diversion as per A.RS. 28-3392C
